# The French Connection

*A moment of serendipity for all to enjoy.*

The oak barrels we age our Tesouro wine in are originally from the wine houses of Domaine Didier Dagueneau & Clos Rougeard who are the producers of these wines.

## DAGUENEAU BLANC ETC...

2019 Sauvignon Blanc

Louis-Benjamin Dagueneau produces cuvées renowned for their purity and precision. Etc is a beautiful expression of Sauvignon Blanc showing crushed stone mineral character, grapefruit, hints of tropical fruit, green herbs and honey. One for contemplative sipping.

170€

## DAGUENEAU SILEX

2020 Sauvignon Blanc

Of Dagueneau's great Pouilly Fuisses, Silex is the most electric, mineral-infused wine, sourced from flint-ridden vineyards. A wine to challenge any existing preconceptions of Sauvignon Blanc - tightly wound, yet creamy and textured, with a panoply of exotic grass, floral and herb aromas.

290€

## CLOS ROUGEARD SAUMUR-CHAMPIGNY LE CLOS

2014 Cabernet Franc

The 2014 Saumur Champigny Le Clos is a great Champigny that opens with a deep and concentrated, still leathery bouquet of dark fruits. Round and generous on the palate, this is a highly elegant, silky, fresh and perfectly juicy Le Clos with fine tannins and a long and salty finish.

350€

## CLOS ROUGEARD SAUMUR-CHAMPIGNY LE BOURG

2016 Cabernet Franc

The nose is perfumed, with grilled cherry and olive stone, with some toasted almond notes from the oak, and there is some reassuring reduction here as well. The palate is tense and bright, in a reductive style like the nose, polished yet match-sticky. It is cool and fresh, the mid-palate laden with tension and energy, gripped with very silky tannins and a vibrant acidity. An intense, focused, stylish wine, long and vigorous.
